Amendments by Parliament

Amendment 1
Recital (7 a) (new)

(7a) Whereas any changes to the Agency's remit, beyond what is currently stated in Regulation (EC) No 2667/2000, particularly Articles 1, 2 and 15 thereof, are also subject to the relevant budgetary procedures.

Amendment 2
ARTICLE 1, POINT 4
Article 14 (Regulation (EC) No 2667/2000)

4. Article 14 *is repealed*.

4. Article 14 *shall be replaced by the following*:

'The Commission shall, by June 2005, submit to the Council a report dealing with the future of the Agency after 31 December 2006.'

Justification

South-east Europe is a key region for the Union. Parliament cannot allow the future of the European Agency for Reconstruction to be left in doubt.

Amendment 3
ARTICLE 1, POINT 5
Article 15 (Regulation (EC) No 2667/2000)

5. Article 15 *is replaced by*:

"The Commission may delegate to the Agency the execution of the Community assistance decided upon for Serbia and Montenegro and for the Former Yugoslav Republic of Macedonia under Regulation (EC) No 1628/96."

5. Article 15 *shall be replaced by the following*:

The Commission may entrust the Agency with the implementation of assistance for encouraging the economic development of the Turkish Cypriot community within the framework of Council Regulation (EC) No xx/2004."

Amendment 4
ARTICLE 1, POINT 5 A (new)
Article 15 a (new) (Regulation (EC) No 2667/2000)

5a The following Article 15a shall be

inserted:

"Article 15a

In the interests of further clarity and transparency, the Commission shall, by 31 December 2004 at the latest, provide a detailed report to the European Parliament and the Council, setting out the distribution of tasks between the operational centres of the Agency and the "deconcentrated" Commission delegations in the respective regions, explaining the rationale behind this allocation and giving an analysis of how the allocation is working in practice for all the countries concerned and, in particular, for the Former Yugoslav Republic of Macedonia in the light of its application for EU membership."

Justification

Generally speaking, the Agency appears to be working effectively in its task of managing the main EC assistance programmes in the region. However, as already requested by the last Parliament - and not yet responded to by the Commission -, provision by the Commission of a report setting out clearly how tasks/responsibilities are divided up between the Agency's centres of operation and the Commission's delegation offices (now referred to as "deconcentrated" delegations) covering the respective areas, together with an analysis of how well (or otherwise) this regulation is working, would go a long way towards clarifying certain difficulties which have continued to hamper some aspects of the Agency's work.
