Miscellaneous

The text of paragraph 54 will read as follows:

54. Recalls that the early efforts of the Commission and Parliament in the trade negotiations with Mexico and Vietnam successfully encouraged the ratification by both countries, respectively in November 2018 and June 2019, of ILO Convention 98 on the right to organise and collective bargaining; congratulates both countries for such an important step; calls on the Commission to monitor the progress made with respect to the implementation of other ILO conventions, and to set up without delay the interparliamentary committee as agreed under the EVFTA, paying special attention to the prohibition of child labour; deplores the fact that Vietnam has not ratified ILO Conventions 87 and 105 on Freedom of Association and Freed Labour; calls on the Commission to monitor the situation closely and to request consultations with the Vietnamese government should it fail to make continued and sustained efforts towards ratifying them, as foreseen by the agreement;
